POSITIVELY—NO CREDIT!

"A nimble *sixpence* is better than a slow *shilling*."

FROM this date until July 1st, we shall strictly adhere to the above. We have two reasons in view for so doing:

1st. To give delinquents an opportunity of settling up their old accounts; by continually receiving goods they forget Pay Day.

2d. We have received New Goods from Auctions and other sources at low rates, and can make a commission by selling them for cash as low (and some goods lower) than Boston wholesale prices.

GORHAM PARKS AGAINST THE PEOPLE. FURTHER PROCEEDINGS OF THE COMMITTEE OF INVESTIGATION.

The particular and careful attention of every reader is requested to the following extracts from the Journal.

[Extracts from the Journal.]

On the 9th of January, Mr. Wise submitted the following resolution:

"*Resolved*, That the Secretary of War be directed to furnish this committee with all correspondence, letters, or papers, on the files of the War Department, or in his possession officially, respecting or relating to the war in Florida with the Seminole Indians; and, also, respecting or relating to the raising and paying volunteers for the protection of the southwestern frontier, under General Gaines."

This was laid on the table until February 3d, when Mr. Wise moved to take it up. The motion was rejected by the following vote:

"Ayes Messrs Hannegan, Campbell, Lincoln, Wise 4.

"Nays Messrs Parks, Pearce, Muhlenberg, Mann 4."

"Thus a subject which had caused two courts of inquiry to be ordered by the President himself which had called two major-generals of the army from their posts, for their conduct to be subjected to severe scrutiny before one of which Courts a gallant officer, General Dunlap Clinch, who had borne himself like a patriot soldier in the campaign, and who had, as all admit, done his duty in the war, had in subpoenas declared, on oath, that the failure of the campaigns against the Creek and Seminole Indians WAS TO BE ATTRIBUTED NOT TO THOSE GENERALS, BUT TO THE NEGLECT OF THE WAR DEPARTMENT. This subject of inquiry, we repeat, was refused to be taken up by the majority. [Mr. Wise.

On the 25th of January, Mr Campbell submitted the following resolution:

"*Resolved*, That any member having cause for believing that abuses existed, since the 4th of March, 1829; and shall, upon such cause or belief, make a motion or move a resolution of inquiry, this committee will [illegible] the motion, [illegible] the responsibility [illegible] on the mover of the resolution [illegible] the foregoing resolution by striking out the words 'the responsibility resting on the mover of the resolution' [illegible] motion was negatived, as follows:

"Ayes Messrs Parks, Pearce, Mulenberg, Chaney 4.

"Nays Messrs Campbell, Hannegan, Lincoln, Mann, Wise 5.

[illegible] the foregoing resolution, the word 'particular;' [illegible] to read 'particulars' [illegible] which motion was negatived, as follows:

"Ayes Messrs Parks, Chaney, Muhlenberg [illegible]

"Nays Messrs Campbell, Lincoln, Mann, Wise, Hannegan 5.

"Mr Pearce moved to lay the said resolution [illegible] which was affirmed, as follows: [illegible] Muhlenberg [illegible] Wise 3.

"Ayes Mr. Campbell [illegible] Mr. Campbell [illegible] which necessarily gave [illegible] the committee [illegible] of this committee, upon his own knowledge, or upon information derived from others, shall give information of any specific charge of abuse or corruption in any Executive Department of the Government, and name the witness or witnesses to sustain such charge or charges, this committee will forthwith proceed to the investigation of said charge or charges, and to the examination of such witnesses as may be named by the member giving information of such charge of abuse or corruption.

"On motion of Mr. Mann, the foregoing resolution was laid upon the table, as follows:

"Ayes Messrs Parks, Pearce, Muhlenberg, Hannegan, Mann 5.

"Nayes Messrs Wise, Campbell, Lincoln 3."

Thus the committee, by its proceedings expressly refused to declare either that it would act upon motions or resolutions of inquiry, or that it would proceed to investigate *specific* charges even of abuse or corruption in any Executive Department of the Government, or examine witnesses touching them.

On the 1st of February, Mr. Muhlenberg offered the following resolution:

"*Resolved*, That before any witness or witnesses be sworn, the member at whose instance he or they are called shall state, in writing, the purpose for which he or they were severally called as witnesses, the matters to which he or they are expected to testify, and the charges which he or they are expected by the member to sustain against the Executive Departments or either of them, or against any officer or officers, agent or agents, or either of them, by fact within his or her personal knowledge."

"Which was adopted, as follows:

"Ayes Messrs. Pearce, Hannegan, Parks, Lincoln, Muhlenberg, Campbell 6.

"Nays Mr. Mann, Mr Wise 2.

"Mr Wise submitted the following:

"Mr Wise, in compliance with the conditions of the resolution of this committee of this day, requiring the member at whose instance a witness is called to state the reasons of calling upon him to testify, assigns the following reasons:

"1st. The purpose for which he (the member) has called upon the witnesses summoned and requested to attend at his instance is, that said witnesses may be sworn to testify, and the truth to say, touching the inquiries of this committee directed by the resolution of the House.

"2d. The matters to which they are expected to testify are matters within their knowledge severally, concerning the condition of the various Executive Departments, the ability and integrity with which they have been conducted and concerning all matters embraced in said resolution of the House of Representatives.

3d. The charges against the Executive Departments, and their officers or agents, which they are expected by the member to sustain, are charges of violation of duty; of corrupt violation of duty, in abusing legal authority, in corrupting and subsidizing the public press; in removing faithful officers for opinion's sake; in retaining corrupt and fraudulent officers in place, knowing of their malfeasance and malversation in office; in appointing and paying agents, of various descriptions; in making unjust and exorbitant allowance for service to political favorites; in paying a Treasury warrant which was gambled away by a disbursing officer; in allowing an account which had virtually been disallowed, and then paying it, after its allowance had been forged, without causing the offender to be prosecuted; in allowing Government officers to organize political societies to influence elections; in speculating on the offices of Government and on the public property, in interfering with the proceedings of Congress in an improper manner; and concerning various other [illegible] upon which charges of equal weight may be founded; if they are ascertained by the evidence."

"And the question being whether the foregoing reasons, as assigned by the chairman, are a compliance with the conditions of the resolution, it was carried in the affirmative, as follows:

"Ayes Messrs Pearce, Muhlenberg, Campbell, Hannegan, Lincoln, Mann, Wise 7

"Nay Mr. PARKS 1.

On the 14th of February, Mr. Pearce offered the following resolution:

"*Resolved*, That this committee, in discharging their duties under the Resolution of the House of Representatives of January 17, will not in the absence of *definite specific charges* of corruption and abuses, inquire into the reasons of the Executive, or the heads of the Executive Departments, for appointments to, or removals from, office;

"Mr. Wise moved an amendment as follows:

"*Resolved*, That whenever definite and specific charges are made that the President of the United States, or either of the heads of the departments, have removed efficient and faithful officers without just cause of complaint, and appointed others in their places for opinion's sake, or on account of party services, this committee will inquire into such definite and specific charges, to ascertain how far the President, or heads of departments, have abused their authority to appoint and remove officers; and to what extent such appointments and removals have tended to restrain and trammel the freedom and purity of elections in this country; to punish individuals for the exercise of that freedom; and to corrupt and enslave public officers who hold, and private individuals who seek, places under this Government.

"The question being taken on Mr. Wise's amendment, it was rejected as follows:

"Ayes Messrs. Campbell, Lincoln, Wise 3.

"Nays Messrs Parks, Pearce, Muhlenberg, Mann, Chaney 5.

"The question recurring on the adoption of the resolution offered by Mr. Pearce, it was decided in the affirmative, as follows:

"Ayes [illegible] Parks, Pearce, Muhlenberg, Mann, Chaney 5.

"Nays Messrs Campbell, Lincoln, Wise 3.

* * * * *

On the 4th of Feb., Mr. Wise offered the following resolution:

Resolved, That the Sec'ty of the Treasury furnish this committee with the originals or copies of all letters, papers, reports, or correspondence, on the files of the Treasury Department, or in his possession, in relation to the official acts of his [illegible] at the collector at Newport, Rhode Island, in removing David Melville from the office of weigher and gauger at that place.

"Mr. Mann offered the following amendment: and at the end of the resolution, except such as have heretofore been communicated to the House of the United States, and except such as are of a purely [illegible] character.

"The amendment was rejected as follows:

"Ayes Mr. [illegible] 1.

"Nays [illegible] Muhlenberg, Campbell, Parks, Chaney, Wise 6.

"The question then being on the adoption of the resolution, it was [illegible] as follows:

"Ayes Messrs Campbell, Lincoln, Wise 3.

"Nays Messrs Parks, Pearce, Muhlenberg, Mann, Chaney 5.

[illegible] Wise then [illegible] the following resolution:

"[illegible] of the committee, upon his own knowledge, or [

le was forced to surrender by General Peron e Mer. The Carlist Army has become very much reduced, from want of provisions. We hust the news may prove true, that soon distracted Spain may once more enjoy the smiles f peace.'

Leave Lewis's Wharf, Boston, or Bath and Gardiner, every WEDNESDAY and SATURDAY, at 7 o'clock, P. M.

Carriages will be in readiness to take passengers to and from Hallowell, Augusta and Waterville, on the arrival of the Boat, and on the days of her sailing.

Hack fare from Augusta 37½ cts.; from Hallowell 25 cents. Books kept at the principal Hotels in Hallowell and Augusta.

FARE.

From Gardiner to Boston, $4 00 } And found,
" Bath, " " $3 50 }
Deck Passengers, $2 00 }

The NEW ENGLAND is 3½ years old—173 feet long, and 307 tons burthen. During the past winter she has been thoroughly overhauled and repaired, and the proprietors have spared neither pains nor expense to render her in all respects worthy of public confidence. That she is the fastest boat on the eastern coast is now universally admitted, and her superiority as a sea-boat has been fully proved.

Travellers from the eastern part of Maine to Boston and from Boston eastward, will find this route in many respects preferable to any other. The mail stages from Bangor and Belfast arrive before the departure of the boat; and the boat arrives at Gardiner on her return passages from three to six hours before the departure of the eastern stages; thus affording travellers an opportunity of spending several hours in Gardiner, Hallowell and Augusta.

MORISON'S PILLS!!!

F. & I. S. WHITMAN, Agents, Bangor

THE friends of Hygeianism and the public generally, are again cautioned against the unprincipled attempts of apothecaries and quack doctors, to destroy all confidence in these highly valuable and almost indispensable family medicines, by the cry of imposition! exorbitant prices! falsehood! and more than all, by the astonishing benevolence of the craft in imparting to the world their wonderful discovery of the composition of them that a three dollar packet costs but one shilling that any person can make them, etc. Counterfeiters also, beware of the law. The British College of Health have recently recovered damages of the makers and venders of a spurious, dangerous article, in the courts of Massachusetts and New York; and their exclusive right and property in the sale, is firmly established and confirmed in this country.

Two hundred thousand dollars worth of these simple and effective medicines are sold annually in the United States, and injury from them is unheard of. One cause of the high price they bear, is a heavy export duty paid in England; yet they are incomparably cheaper than any patent medicines now extant, saving, as they do, expensive and protracted fits of sickness.

The genuine article cannot be bought of apothecaries, travellers, or pedlars, they being denied the sale throughout the world. The only place in this section where they can be had, is at the store of F. & I. S. WHITMAN, Bangor; (whose signature is labelled on every packet they sell) where may be seen printed reports of recent trials, certificates of cures, etc. Subscriptions received to the Family Adviser and Hygeian Record, a paper published at New York at $1 per annum.
